 - This document is only valid for the exchange period 2024/2025.
- For any questions regarding the SASSE merits, please email merits@sasse.se

• Roles in purple: require availability from January-January, do not apply if planning on Fall exchange
• Roles in black: require availability from September-June, do not apply if planning on Spring exchange
Some roles marked in black require work in August/early September so may clash with some Fall exchange destinations
